"In-Person" Schedule Example
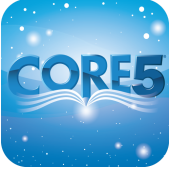

TIME ("IN-PERSON")	CLASS/SUBJECT	DESCRIPTION
7:50-8:15	Breakfast & Morning Work	Attendance, breakfast, morning announcements and review work
8:15-9:05	Writing	Teacher-directed writing lesson
9:05-9:55	STEM/ART	Enrichment instruction in the classroom
9:55-11:10	Math	Teacher-directed instruction teaching core math content
11:10-11:50	Math Workshop	Individualized instruction and/or online programs
11:50-12:40	Lunch Break	Lunch provided in classrooms
12:40-1:10	SEL	Social Emotional Learning in large or small groups
1:10-2:40	Reading	Teacher-directed instruction teaching core reading content
2:40-3:10	M & P	Movement and Play in socially-distanced space
3:10-3:50	Reading Workshop	Individualized instruction and/or online programs
3:50-4:00	Dismissal	Staggered dismissal at end of the day

This schedule is an example of a typical "in-person" learning day. Your student's schedule may be different. The hours will remain 7:50am-4:00pm for everyone, with lunch breaks varying based on grade level.

Online Programming (used during workshops and homework)

Lexia: https://www.lexiacore5.com/	Zearn: https://www.zearn.org/
